

**From: Trafford Sports Council
To: All Sports Clubs**

Trafford Sports Council have arranged for a large display board to be placed in Urmston Library.

This is a great opportunity to showcase YOUR club.

Send us a poster on an A4 sheet displaying your club – make it bright and eye-catching. The poster should be laminated, but if you don't have the facilities for this don't worry the Sports Council will laminate it for you. Send also a stock of flyers to go with the poster.

The posters will be displayed for one month at a time on a rota basis so you can always change your poster.

In addition the centre of the display board will be for 'special events' and 'special people'. If your club is holding a beginners or taster course or any other 'special event' send the poster in plenty of time. Has your club or anyone in it achieved recognition in their sport, perhaps they or your club have won a competition let us display it along with a photograph.

The 2012 Olympics is already generating a lot of interest in sport, this display board will show all the sporting opportunities Trafford have to offer – let us showcase YOUR Sports Club

Send your posters and flyers to: Gill Prideaux, 121 Canterbury Road, Davyhulme, Manchester M41 0PT

For more information contact Gill Prideaux on 0161 718 1849 or email: gillian.prideaux@ntlworld.com
